

My years as an ELITE Leadership student has been one of my most enjoyable experiences. I've been a member for about 2 years but it feels like I've known them my whole life. I came into ELITE very quiet and hesitant to speak, but being with this group of people, and being led by such a caring and loving group of adults, helped me to become more sociable and outgoing. I had the opportunity to go places and attend trips that I've never been before and learned more about life. I would like to thank everyone who took me under their wings and help mold me into the outgoing young man I am today. I will never forget what has been instilled in me as an ELITE member. I would like to thank Ms. Eileen, Ms. Lakesia, Mrs. Ruby, Mr. Harvey, and everyone else that had a hand in this awesome journey. You have truly prepared for my future.
